For further details, please refer to the Projected Expenses sheet available for each grade level.

The mission of  
Lakeland Christian  
School is to educate  
students in the light of  
God's Word to equip  
them for a lifetime of  
learning, leadership,  
service and worship.

## Viking Fund

An excellent Christian education is expensive. That is why gifts to LCS - provided in addition to tuition and fees - characterize the partnership families enjoy with the school. Charitable contributions to Lakeland Christian School are an investment in the lives of the children and young people in the next generation.

All Lakeland Christian School families are encouraged to support the Viking Fund annual giving effort each year. Annual contributions to LCS provide enhancements to the overall school program while limiting increases in tuition and fees.

Gifts of any size are encouraged and appreciated. For more information, please contact the LCS Advancement Office. Gifts may be given online at [lcsonline.org](http://lcsonline.org).

## Financial Aid

Financial aid is typically available to families who otherwise may not be able to attend LCS due to financial constraints. This assistance is based on financial need and does not cover 100% of tuition costs. Additionally, LCS participates in the Step Up for Students program, the McKay Scholarship and the Gardiner Scholarship program. If you qualify for and/or are awarded financial assistance through one of these programs, these resources must be accessed prior to applying for financial aid through LCS.

New families must first complete the online application process for school admission and will then receive a link to FACTS, a third-party service that processes the financial/income information necessary in awarding financial aid.
