Monday, August 10

Sixth Grade Student Orientation: 1:00-3:00 p.m. – Cafeteria (Sligh Center) (ALL 6th GRADE STUDENTS - New and Returning)

The transition from elementary to the secondary school involves significant changes. Mr. Cawood will welcome sixth graders into middle school and introduce the sixth grade teachers. Students will then split into groups which will rotate through their teachers on the 3rd floor where they will receive helpful hints on how to survive the rigors of middle school.

New Student Orientation (Grades 7-12): 6:20 p.m. – Gym

The Secondary Administrative team will meet with all new secondary students to provide helpful hints for making a smooth transition to Lakeland Christian School. After this meeting, each new student will be paired with a “peer friend” (current student) who will serve as a guide for meeting teachers, walking through schedules, finding lockers, etc.

New Parent Orientation (Grades 7-12): 6:45 p.m. – (Cafeteria-7th/8th grade parents) (Gym-9th-12th grade)

Parents of new 7th-12th grade students are asked to drop off students at the gym before the parent orientation. There will be no evening program for 6th grade students. Essential information will be provided to help you and your child navigate the school year. This will include an overview of school-wide policies and general procedures. There will be opportunity for Q & A during this time.

Sixth Grade Parent Meeting: 7:15 p.m. – Cafeteria (Sligh Center) (ALL 6th GRADE PARENTS—New and Returning)

Sixth grade is an exciting year of transition. Mr. Cawood, Middle School Assistant Principal, will share important tips on surviving and thriving your first year with an adolescent in school.
